G-Shot DV506

720p HD pocket-sized camcorder

The latest DV camera from the Genius family is the G-Shot DV506, a 720p camcorder in a pocket-sized unit. The 5.0 Mega Pixel CMOS sensor is great to use for digital video, still camera, and voice recorder features. Take photos and movies with the 8X digital zoom and up to 16 mega pixel by interpolation software can make your photos outstandingly clear.
In addition, the LED light can help you take videos or pictures in dark environments. It only uses three AAA Alkaline batteries and are easy to replace, so you can record over 40 minutes of video or 80 pictures. The CD ROM includes application software to edit movie and photos easily.
Ask your salesperson for more details on the G-Shot DV506.
